The **Ultimate Career Transformation** Program, with Placement

70588 41339

THE CURRENT SITUATION OF INDIAN EMPLOYMENT

58%

of them do not have the soft skills for a corporate career

90%

of India's upcoming workforce is unemployable

86%

of them lack the right career guidance

**This
could
be you**

64%

of them have unimpressive or faulty resumes

77%

of them may never reach their career goal

As a result, India's unemployment rates are rising.
Don't be a part of this percentage. If you're unemployed,
you might be unemployable too.

**Become employable and become
employed with Academy+**

That's a 100% assurance
